

CHAIN OF PONDS

Transforming the Moonee Ponds Creek

INVITATION:

CONNECTING COMMUNITIES ALONG MOONEE PONDS CREEK

Join us for the official opening of our new bridge!

The Chain of Ponds Collaboration cordially invite you to discover more about your local creek and join in family friendly activities including free refreshments, make-your-own smoothies and tree planting.

Come and celebrate the completion of our first major project to be dreamed up, designed and delivered together! The new bridge and adjoining public spaces connect communities of Essendon and West Brunswick, transforming unused space into a safe and accessible place for recreation, nature play, reflection, improved neighbourhood connectivity and connection to nature.

This project has been funded through Moonee Valley City Council and Moreland City Council capital works programs, the State Government's Boosting Recreational Use of Waterways and More Trees for a Cooler, Greener West initiative.

Event date/time: Thursday 7 July at 10am-12noon

Location: 67 Vanberg Road, Essendon

RSVP: mooneeponds.creek@gww.com.au

Limited parking available. If driving, you can park at Montgomery Park and walk along the creek.

This event is supported by Chain of Ponds Collaboration partners, including Friends of Moonee Ponds Creek, Moonee Valley Council, Moreland Council, Melbourne Water, Greater Western Water and the Moonee Bicycle Users Group – transforming the Moonee Ponds Creek into an iconic waterway for Melbourne.

Covid Safe principles apply at this event.
